

Bioeconomy Career Poster

Visit Office of Energy Efficiency and Renewable Energy via Energy.gov and at <https://www.energy.gov/eere/bioenergy/bioenergy-career-map>. From this graphic, pick two careers and create a career profile about these job opportunities. You can use the Occupational Outlook Handbook from the Bureau of Labor and Statistics to further your research, <https://www.bls.gov/ooh/>. On your poster board, have an area designated for each career. Address the following pieces of information:

- Name of Career
- Education Required
- Colleges (2+) that offer required degree
- Work Environment
- Job Profile
- Skills Required
- Salary
- Positive Environmental Impact
- Job Outlook
- Other Interesting Statistics
